Dear College,

Greetings from the College at the start of our final term for the year. The term has commenced with some miserable winter weather though we can rejoice that we have escaped the snow of Adelaide and Canberra and the sleet of Traralgon. It will get better next week because the Year 9s are going to Howqua for their outdoor experience and also doing Lasallian service, in their respective groups. We pray that they will have a safe and valuable learning experience either on camp or involved with the elderly or special needs children.

Currently our Year 11 students made their annual ‘pilgrimage’ to De La Salle Bomana, PNG, to further our commitment to improving the facilities at that school. This was our second effort in that place and our footprint is commendable. MAD funds supported this work to the tune of approx A$25,000.00. We will also be providing almost $9,000.00 for the provision of complete tool sets which will be used on our future projects and expedite the quantity and quality of what we can do. Please take time to read the PNG report following.

This year MAD funds have also been used to support the two teachers who we sent to Southern Sudan in January/February this year: Micheal Watty and Henry Corcoran. At the request of Br Bill, Henry is returning to Southern Sudan in early 2013 to assist in establishing some computer facilities and programs that will benefit Br Bill’s work in both Nurse and Teacher education.

Funds are difficult to get to Br Bill because of the constraints of both overseeing agencies and lack of banking facilities in Sudan. DLS forwarded US$6,000 in cash to Brother Bill when our two teachers worked there in Jan/ Feb 2012 and the College used MAD funds again to give him US$5,000 when he visited us in early August. Br Bill’s latest email details his expenditure which provides an interesting insight into life in southern Sudan as well:

I am pleased to provide a break down of the purposes to which I have applied the funds you gave me to help our work here:

$1,300 has been given to Sr Joana RNDM (from Myanmar), to buy medicine for use in her clinic where she attends to the medical needs of the people of Riiimenze where death is all too frequent. In that part of South Sudan 187 children per thousand die each year before the age of 5. In a developed country such as Italy, the figure is only 4 per thousand.

$1,000 has been given to Sr Rosa RNDM (from Vietnam) who has 40 families growing new crops under her guidance. She started with 20 last year and has added another 20. This has helped greatly to overcome hunger during the dry season in the area (where I live).

$1,000 was given to Sr Josephine RNDM (from Kenya) who works with the women and girls trying to create more opportunity for them in this society. She teaches sewing as one activity but also puts on seminars designed to empower women to think and discuss the issues that concern them.
Each of the three above were greatly relieved to have some funds available to support their work with the people. They are real bargain shoppers and hagglers whom I have taken shopping many times. They make money go a long way. So this has been a great boost to them, especially as they come from countries that cannot provide much financial support.

$1,000 was given to Sr Orla IVBM (from Ireland) who regularly provides accommodation for us while we deliver a teaching training program in Rumbek in which we are especially trying to motivate and involve more girls in higher education and teaching.

The balance of $700 I have used as I have travelled to various places to purchase various food items that one can get in Juba but are in short supply elsewhere - cheese, bacon, fresh fruit and vegetables (for Malakl and Agok) and even the special treat of chocolate!

While our 'big picture' projects attract donors, the 'little' people are often overlooked.

So thank you to all who made the effort to generate these precious funds and thanks to you for passing them on to me (Br Bill, email of 8 Oct 2012).

We will continue to provide for Br Bill and his team whenever anyone is passing by Southern Sudan. Unfortunately that is rather infrequent!

**Good news! The NAPLAN results for 2012** have been released and the College has continued to improve its results. Of particular satisfaction are the Year 9 results which demonstrate a clear ‘Value Add’ for almost every student in the cohort. The teachers are to be commended for their work with the boys and should get a great deal of satisfaction from the success which the 2012 NAPLAN results evidence for us. Year 7 results are also very strong and augur well for the boys as they progress through secondary school. Well done all students in both Year 7 & Year 9. A full report has been prepared for presentation and can be found on page 7 of this Newsprint.

**Parent Teacher meetings:** The last parent-teacher meeting for the year concluded this week for the parents and students of Year 4 - 11. Parents, thank you for the support of your presence. Year 12 students were encouraged to use this day for study preparation for their coming exams. For the Year 12 students preparing for their VCE, some teachers put on voluntary special programs and opportunities to do another trial exam and many boys seized the opportunity. Encouraging signs of preparation!!

**Several key staff have been promoted to key positions of leadership and will be leaving us this year.**

**Peter Riordan**, currently Deputy Principal, held a position of leadership at St Bede’s (another Lasallian school) when he transferred to De La Salle in 2000. For the past 13 years he has served the De La Salle community with distinction. His ability to name almost every student on the roll is remarkable and envied by all of us. Peter will move to Simmonds College, West Melbourne in 2013 as Principal. We are indebted to Peter for his loyalty and support, dedication and hard work, commitment to the Lasallian ideals and outstanding pastoral care over the past 13 years and wish him all the best in his new appointment.

**Sally Buick**, currently responsible for Teaching and Learning in De La Salle, has been promoted to Deputy Principal (Well Being) at Padua College, Mornington Campus, and will take up that position in 2013. Sally began her career at St Bede’s before moving to De La Salle for the past 10 years. She has served the DLS community in a range of positions of responsibility and this promotion will bring new opportunities to her professional development. Sally possesses an intellectual acumen, a strong loyalty and dedication to the young people who have passed through the College and is an excellent English teacher. We wish her well in her new position.
YEAR 12 CONCLUDING CLASSES THIS WEEK
The end of the year is approaching for our Year 12 students. On Thursday staff, students and families will gather for the Year 12 Valedictory Mass, followed by Dinner. The following Wednesday the entire College will gather here in the College to farewell our 2012 Year 12 students and present them with reminders of their life in DLS. From Wednesday they will be on study leave until their VCE exams commence in the Gym in early November. It is very heartening to see the earnestness of most of the boys in taking every opportunity for study that is open to them. They should be encouraged to come to the school library each day if home has too many distractions. Time is precious for all of them.

The final College Assembly to farewell Yr 12 will be held on Wednesday 23 October. It is the same day as other schools in the area. I request that parents make known their expectations of what is appropriate behavior and support the College in what we will be saying to our students. Foolishness can lead to stupidity; stupidity can lead to accidents, and accidents can lead to regretful outcomes. We don’t want any! I am hopeful that DLS students will behave as in previous years – stay sane, sensible and safe at all times and get down to serious and hard study as quickly as possible. One point on ATAR may decide their fate in a particular course.

WELCOME
We welcome Miss Anna Zacharopoulos, our new Maths teacher, who is replacing John McAlroy (Long Service Leave) for Term 4. We hope she enjoys her time with us.

JUNIOR GOLF
We congratulate our Junior Golf team on their success this afternoon. They have won the Junior Golf Championship for 2012. The members of the winning team were:- Tom Walkear (Year 10R), Shannon Balthazaar (Year 10B), Nicolaus Cooney (Year 9V), Pat Hounihan (Year 8H), Oliver Smith (Year 7S), Nick Leontaritis (Year 8R), David McCarthy (Year 8B) and Ben Pain (Year 7J).

REST IN PEACE - GERRY HAYES
Gerry spent his life in the airline industry but retired early (1983) to take care of his wife who had contracted Parkinson’s quite early in life. She passed away in 1998. Gerry had dementia for the past 10 years and did not know the family for about the past 10 years and did not know the family for about the past 4 years. His passing is therefore not unexpected and indeed a relief. Gerry is survived by his three sons: Peter, Tom and Brian - all Old Collegians from St Finbar’s parish, East Brighton. I ask you to remember Brian and his family in your prayers at this time.
COMMUNITY SERVICE IN PAPUA NEW GUINEA, 2012

During the holidays a group of sixteen Year 11 students and four adults went to Papua New Guinea on a community service learning project. As in 2011, the group went to De La Salle Bomana, on the outskirts of Port Moresby and spent two weeks renovating badly dilapidated and unused Science rooms. In 2011 we renovated rooms in the original WW11 Hospital building to become computer rooms for them. Computers were recently donated to them through the Lasallian Foundation. De La Salle Malvern is committed to improving this school’s facilities with the use of our MAD funds, and our boys, and so build their confidence and enthusiasm to want to improve themselves in the process. Considerable work remains there for us.

Four adults accompanied them: Sam Magree and Tim Hogan (College staff) and Cel Curtis (retired parent of Hamish who was part of the team) and Brian Lowe, a qualified carpenter with his own successful business who gave up two weeks of his work to accompany the team. We are very grateful to Cel and Brian for their generosity in offering work with our boys. Their skills and professional added immeasurably to the outcomes and the students learned a lot in the process. Brian reported to Tim that “it was one of the best things I have done”.

I have received a letter from the Chairman of the Board of Governors of De La Salle Bomana who writes: “…I’d like to say “thank you” from the bottom of my heart for sending the boys and staff…..they have all worked very hard and the job that they have done for us has given us brand new science labs which were useless for so many years. Just too good and a great facelift for our very old school. Words cannot express my thanks. This school was in need for a long long time and God has answered our prayers. (Mr Siki).

Thank you to the team leaders, Tim Hogan and Sam Magree; thank you to the boys who gave up one week of their holidays to be involved - nothing but high praise has been uttered about the group. Thank you to Cel and Brian for your generosity and involvement.

We pray for a safe and fruitful term for all.
Brother Paul fsc

NAPLAN RESULTS, 2013

Whilst it is important to note that the NAPLAN is just one set of data that we have available to us to assist in determining the progress of students at De La Salle, it is none the less important to take note of what the data tells us about our current cohort and what we value add as a school. Our NAPLAN results for 2012 are very impressive and speak well to the work we have been doing with our young men.

YEAR 7 2012
In 2012 a total of 175 Year 7 students completed the NAPLAN tests.

The De La Salle school mean in all 5 domains at Year 7 are above those of the state. Statistically our mean is *well above* in Reading and in Numeracy. Comparative data can be used to look at the improvement of Year 7 students at De La Salle over the past four years. The 2009 data is for those students enrolled in Year 7 at De La Salle in 2009, ie: Year 10 2012. In this instance we note improvement in mean in *four of the five* domains (the exception being the Writing domain where a significant difference was also noted in comparative data in the state mean which may have been due to the change in Narrative to Persuasive writing task)

<td>526.8</td>
<td>+11.6</td>
</tr>
</tbody>
</table>

YEAR 9 2012
In 2012 a total of 192 students completed the NAPLAN tests.

The De La Salle school mean in all 5 areas are above those of the state. Statistically our mean is *well above* in both Reading and Numeracy.

<table>
<thead>
<tr>

</tbody>
</table>

Comparative data in this instance allows us to look at the improvement made by this actual cohort as it is the same group of students with whom we are comparing results from 2010 when they were in Year 7, to their results at Year 9.

An additional set of data available to us is how well our students reach and exceed the National Minimum Standards.
### YEAR 7 2012

</tbody>
</table>

### CONCLUSION

The 2012 NAPLAN results for De La Salle are a very positive reflection of the work being done with our students. It is very pleasing to note that at Year 7 achievement against National Standards was exceptionally high with particular reference to the 100% reached for at or above standard in Numeracy and Grammar and Punctuation. Also worth noting at Year 7 are the statistically significant improvements in the Reading and Grammar and Punctuation domains. At Year 9 achievement against National Standards is again very good however the most significant data for this cohort of students is comparative to what was achieved in Year 7 where we note above state standard growth in Spelling, Grammar and Punctuation and Numeracy. Also very pleasing is that in all 5 domains De La Salle students in Year 9 performed well above the state mean in 2012.
PRIMARY NAPLAN DATA REPORT 2012

24 Students in Grade 5 at De La Salle completed the NAPLAN tests. At the time of publication the National comparative data is not available, thus given our statistically small cohort we await the National Data to be released in order for us to have a fully informed picture for comparison.

What is pleasing to note however are the achievement levels reached by our Year 5s against the National Minimum Standards. The following are the results for De La Salle in 2012:

- **Reading**: 83% ABOVE National Minimum Standard
  92% at or above National Minimum Standard
- **Writing**: 88% ABOVE National Minimum Standard
  100% at or above National Minimum Standard
- **Spelling**: 79% ABOVE National Minimum Standard
  100% at or above National Minimum Standard
- **Grammar and Punctuation**: 75% ABOVE National Minimum Standard
  94% at or above National Minimum Standard
- **Numeracy**: 92% ABOVE National Minimum Standard
  98% at or above National Minimum Standard

Wellbeing News

Parent Education Evening - Cybersafety
Wednesday, 31 October, 7.00 - 9.00pm
Tiverton Gymnasium.

Susan McLean is an ex-policewoman of 27 years standing who has had extensive training and experience in Cybersafety since 1994. She is a talented and realistic speaker who is in great demand and who has an urgent and positive set of messages to impart to parents. We have been very fortunate to secure her services for this parent evening. She has been invited to De La by the Cybersafety Committee.

Keeping Safe in Cyberspace

An informative, entertaining and enlightening session for Parents and carers will cover the positive benefits of technology as well as what parents need to be aware of:-

Popular sites for youth – What are they? (including MSN instant messaging, social networking sites such as MySpace & Facebook, virtual chat rooms such as Club Penguin, Moshi Monsters and the dangers of online games such as World of Warcraft.)

- What do kids do online? Where do they go? The difference between an ‘online friend’ and a ‘stranger.’
- Online Grooming – What is it and when/how does it occur?
- Misuse of mobile telephones, email, MSN, blogs, webcam etc. including legal consequences and the possible criminal charges. (What is cyber bullying and harassment?)
- ‘Sexting’ – the taking and sending of explicit images…what are the REAL consequences.
- Potential dangers and safety tips – how to assist the children in your care to stay safe online.
- Learn the lingo……be able to converse with your children in the language of cyberspace.
- Be confident in setting rules and boundaries around internet use in the home.
- The session will conclude with time for questions and Susan provides a range of useful handouts and information about where to go to access further up to date information.

If you wish to be present, please email Pascal at prohan@delasalle.vic.edu.au with your name and the number attending.

Pascal Rohan
Director of Student Wellbeing
FIRST COMMUNION
Our young men are excitedly anticipating this special moment in their lives. This Sunday they will gather at St Anthony’s Glenhuntly to receive the Body of Christ for the first time. We wish them and their families a joyful celebration.

BAPTISM
I also commend to your prayers Sam Andrews and Jon Arnold who are preparing for their Baptism at St Michael’s Ashburton.

YEAR 7 AND PRIMARY MASSES
A series of Masses, celebrated in Homeroom groups, will occur in Weeks 3 and 4 of this term. Parents might like to discuss with their sons the theme for these Eucharistic Celebrations, “Individual Tolerance for others, especially those who are different”

In reflecting on the readings and the inviting the boys to write their own prayers of the faithful, we will be looking at how we might better exercise patience, acceptance and kindness in our words and actions.

I pray that all families have a wonderful spring term.

Joan Ferguson
College Chaplain

PRIMARY NEWS

FATHER’S DAY 2012
On the Friday before Father’s Day, Primary Dads were invited into the classrooms to spend some time with their sons. Dads joined in on activities that included multiplication tables races, mask colouring, writing activities, treasure hunts and cooperative games. The activity had great benefits for the boys and gave the Dads an insight into current curriculum activities.

SEEING EYE DOG’S AUSTRALIA
The primary classes continue to support the training of a guide dog through fundraising activities.
PRIMARY NEWS

PRIMARY CENTENARY ART SHOW
The Primary Art Show on Wednesday 19 September 2012 was a vintage shenanigan that many an old boy would have been chuffed at visiting.

The boys from the Primary Classes of 2011 and 2012 compiled an eclectic mix of assignment, art and artefact in their research and presentation of a specific year. Primary produced Picassos; Junior chefs made Victoria Sponges (baked in a Great Aunt’s original 1920s tin); Stasi Jars of Margaret Thatcher’s hair spray; 1953 suitcases from grandparents’ migration to Australia; 1956 Original Ecko Television that that the De La Salle Brother’s Community watched the Melbourne Olympic Games on; a pair of 1958 E. K. Holdens; outstanding scrapbooks by Jack McGrath and Gianluca Intemerato; a 1920s Champion Cricket bat from an Old Boy; and much, much more.

The drive for all the painting, draping, writing and collecting behind these decade installations was to encourage our present young De La Salle gentlemen to acknowledge what and who has gone before them. A path of poppies representing Old Collegians who died in 20th wars was gently trod upon by shoeless Primary Boys as over 220 young feet – clutching homemade scones, jam and cream – respectfully celebrated a century of De La Salle Malvern.

GRADE 6 MILITARY HISTORY PROJECTS
All Grade 6 students have completed a research project on an aspect of Australia’s Military history. Six selected projects will be on display from De La Salle boys at the East Malvern RSL, from 27 October to 9 November.

Mr Ray Leetham
Primary Coordinator
BLOOD BANK VISITS DE LA SALLE

The following letter was received from the Red Cross:

The Blood Service's visit to De La Salle College on 6 September was another great visit as we managed to collect 48 units of whole blood and had 53 volunteers pass through the unit on the days (5 members were either ineligible or unsuccessful in donating).

For this visit we had a target to collect 30+ units of blood, so your result was very pleasing for us especially during the winter months when so many of our regular donors are struck down by colds and flu's. All your volunteers should be thanked & congratulated for their efforts. With every donation having the potential to save 3 lives, these 48 units donated have the potential to save up to 144 lives so on behalf of all potential recipients of this blood I say 'thank you'.

I believe this was our last visit to De La for 2012, so thank you for your efforts throughout the year and I look forward to continuing on with you next year. The Blood Service collected a total of 137 units of blood over our three school visits this year and this number has the potential to help 411 lives - a wonderful effort. Should you require any additional blood donation information please feel free to contact me otherwise we will be back in contact during 2013.

Kindest Regards

ACC CROSS COUNTRY CARNIVAL

On Wednesday, 12 September, 60 DLS students represented the College at the 2012 ACC Cross Country Carnival at Bundoora Park.

After finishing in 3rd place in 2011, the team goal was to break into the top 2 places this year since training began way back in Term 2.

Even though we managed to reduce our overall team aggregate score (lowest total wins in Cross Country), DLS finished in 3rd place for the third consecutive year behind St Bede’s (2nd) and St Bernard’s (1st). We finished 3rd from Parade by over 200 points but were still nearly 200 points away from St Bede’s.

With ten runners competing in each age group (Under 13 – Senior), we managed to finish in 2nd place in both the Under 15 and 17 age groups. There were many fine individual performances on the day from DLS competitors and congratulations to the following team members who finished in the Top 10 in their events:

**Under 13** - Jack Higgins 7th
**Under 14** - Michael Rogers 6th, Zak Hawker 8th
**Under 15** - Nathan Monaco 9th
**Under 16** - Liam O’Callaghan 5th
**Under 17** - Nathan Evans 2nd, Jack Thornton 4th, Zane Hutter 7th

The DLS Cross Country Program was very fortunate to have great assistance and support from the following staff to ensure that our final team was well prepared for the “big dance”:

Tim Curran, Peter Crellin, Ray Leetham, Peter Larsen, Karen Harding, Cate McIlroy, Lucy Neil, Simon Brown and Tom Curry

After “jogging on the spot” again this year it is obvious that our goal for next year is to at least bridge the gap to 2nd place if not seriously challenge for the ACC title in 2013!

Peter Harte
Director of Sport

WEIGHTLIFTING BACK AT DE LA SALLE

De La Salle will continue its proud history by defending the V.W.A. Sport and Recreation Cup in the De La Salle Gym on October 26 commencing after weigh-in at 10:00am.

Several of our past champions have promised to make an appearance including Damian Brown (a triple Olympian) and Marty Leach (ex Australian Coach). All are welcome to call in as the event will run through until about 3:30pm.

Dave Hale
Weightlifting Coordinator
De La Salle Centenary Memorabilia

Gift Boxed Glasses $25
Old Collegians’ Tie $25
Umbrellas $25
Centenary Pen $5
Apron $20

There are a limited number of memorabilia items for sale. These items are available from the Tiverton Office or alternatively postage can be arranged.
