SpotJobs

SpotJobs.com is Australia's fastest-growing online job board, focusing on permanent and flexible employment opportunities. Students looking for casual or part-time work are encouraged to spend some time searching this excellent resource.

This newsletter is produced by The Careers Counsellor, Mrs Caroline Fitzpatrick. If you are interested in any of these opportunities or would like to discuss your pathway options, please email cfitzpatrick@delasalle.vic.edu.au.

LEARNLIVELEAD

Jobseekers can search and filter jobs by location and working conditions, including the time of day they would like to work and preferences such as working indoors or outdoors, or in a customer-facing role. For students, this means they can focus on study while learning new skills that will help build their careers for the future.

SpotJobs provides an easy-to-use platform that means no matter where you are, or what device you're using, it's simple to search, apply and get hired.

Early Achievers' Program (EAP)

As a Year 12 student, do you demonstrate leadership in your school or workplace, coordinate a community initiative, volunteer in a local cultural, sporting or religious group or provide care to someone in need?

Australian Catholic University's Early Achievers' Program (EAP) recognises a students' potential to achieve great things. We believe students should be recognised for their contribution and leadership potential, and this is why we grant them status as Early Achievers.

One of the biggest benefits of the program is that successful applicants receive an offer well ahead of the usual tertiary admissions announcements. An added benefit is that students can get into a course with a lower ATAR than the published clearly-in. The program operates at each of the University's six campuses nationally.

Should an application be successful, the required ATARs would be as follows:

Degree	ATAR
Law and dual Law degrees	70.00
Physiotherapy*	70.00
Occupational Therapy	65.00
Paramedicine	65.00
Speech Pathology	65.00
ALL OTHER degrees	58.50

* Subject to change

EAP applications to study in 2018

Open - Wednesday 26 April 2017 | Close - Monday 17 July 2017 | Offers released by end of August 2017

Watch the following videos for useful tips:

Inside Monash Seminar Series 2017

Get the inside story of what it's really like to study at Monash. You'll hear from a current student, a past student and an academic. It's the best 90 minutes you could spend researching your course. Bring along your parents too!

The **Inside Monash Seminar Series** commenced in March, but students are reminded of the upcoming seminars still to take place! These seminars provide VCE students and parents with an insight into the courses and career options within discipline areas. The seminars are held in various locations across the Caulfield, Clayton and Peninsula campuses, and seminars with the same title have the same program. **All seminars commence at 6.30pm.**

New Bachelor of Media Communication in 2018

This *new* 3-year Bachelor of Media Communication will prepare graduates with a deeper understanding of the role of media in contemporary social, cultural and economic life, and equip them with well-developed professional skills in communication. The course has specialisations focusing on *journalism, media, screen and digital humanities*.

Benefits of doing the Bachelor of Media Communication include the opportunity to study in the new Monash Media Lab at Caulfield campus; complete an internship with industry leaders and study abroad at a partner institution or on intercampus exchange.

Key points to note:

- This course will be a mix of specialist media communication knowledge and professional skills
- Three-part structure to the course: core units, specialisation units, elective units
- Students can specialise in their chosen area of interest from day one
- Culminates in a major media project or industry internship
- Leads to a range of professional positions within media and communications or further study in the field
- Staff are leaders in their fields. Studying in a cutting-edge research environment means that undergraduate students benefit from the knowledge of some of the leading experts in their areas
- Strong industry links with the creative and cultural sectors
- Double degrees available with Bachelor of Design or Bachelor of Business
