Tax File Numbers

As a new academic year begins, students and parents are reminded that our school is involved with the **ATO Schools Tax File Education Program**. The main aim of this program is to provide the students with an efficient and convenient service for them to apply for their tax file numbers. The Tax File Number Program is available to all students from years 9 to 12.

Why apply for a tax file number whilst at school?

Any student will need a tax file number if he/she starts work (part-time and full-time) and all students planning on a tertiary education require one when they start.

Importantly, current Year 12 students are reminded that they cannot enrol in a CSP (Commonwealth Support Place) course at university without a Tax File Number, so it is worthwhile getting an application submitted early! The Careers Centre has application forms and can provide assistance to students and parents.
