New course at JMC Academy

JMC Academy is pleased to introduce the *new* Diploma and Bachelor Digital Design courses! The focus is on a combination of the love of design with the passion of discovering and creating new technology. It is all about the design of The Web, Apps, Spaces and Experiences. Students will learn to communicate their ideas and expressing their vision through digital technology. The course aims to merge new technologies and find effective new uses for these developments. The learning environment of the courses is studio based learning which closely emulates the industry students are preparing to enter.

Career in Event Planning

The Job Guides indicates that an *event planner* or *event coordinator* plans and organises special events, including parties, wedding receptions, product launches, banquets, meetings, conferences and conventions. Successful event planners –

- enjoy working with people
- good organisational and time management skills
- have very attention to detail
- good interpersonal and supervisory skills
- good communication skills
- neat personal appearance
- comfortable working with computers
- able to negotiate, delegate and work under pressure

Depending on the size of the establishment, events coordinators may work independently or as part of a team. They often work irregular hours, and on weekends and public holidays. **Learn more at [Job Guide - Events Coordinator](#).**
