Various student trips are offered annually. All costs associated with these trips are additional to the College Annual Tuition Fee charged. Payment of the trip costs is via TryBooking, parents will receive a letter to identify the costs of the trips.

### Insurance excess on College-allocated notebooks

The College will notify the family if the repairs to the device are not covered by the notebook warranty. An excess is payable on any insurance claim outside of the notebook warranty. Notification will be sent to parents to identify the amount to be paid.

It is a College expectation that all family accounts are to be paid in full by the end of November each year. Student enrolment at the De La Salle College is based on, among other factors, acceptance of the College Fee Policy.
