## Setting up your password for Ollie

Note: If you have already setup your password for the Community Portal, you can skip this section and login using your existing details.

If you are a first time user, you will be required to set your initial password.

To set your initial password, to reset your password or if you have forgotten your password, you can follow the same steps. Open an internet browser (Internet Explorer, Chrome, Safari, etc.) and navigate to the following page:

<https://passwordreset.delasalle.vic.edu.au>

On the page, enter your username in the field and click next.

If you do not know your username, please contact the College on (03) 9508 2100.

The screenshot shows the 'Login Assistant' page for De La Salle College. At the top left is the college's crest and logo. Below it, the text reads 'Login Assistant'. A message states: 'Please enter your username to reset your password. A security code will be sent to your registered email address for verification.' There is a text input field for the username. Below the field is a dark grey button labeled 'Next'. At the bottom right of the page, there is a small copyright notice: '© 2015 Microsoft Corporation. All Rights Reserved. | About'.

A one-time security code will be sent to your email address registered at the College.

Enter the security code you receive from [MIMService@delasalle.vic.edu.au](mailto:MIMService@delasalle.vic.edu.au) in the page that opens. If the email does not appear in your inbox after 10 minutes, please check your junk mail folder.

## How to access Ollie and log in

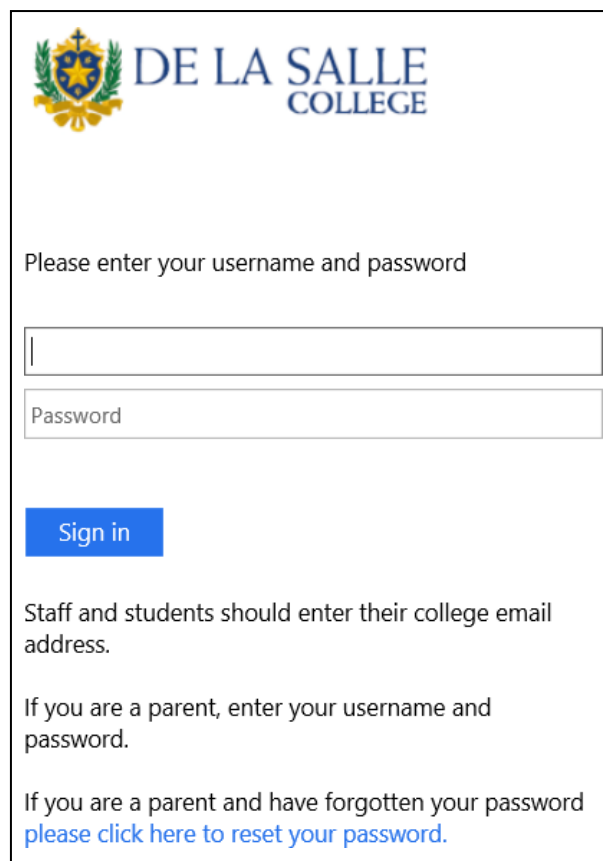

You can access Ollie via shortcut at the bottom of the College website, shown below:

or via the following link:

<https://ollie.delasalle.vic.edu.au>

The Ollie login page is shown below:

The screenshot shows the Ollie login page for De La Salle College. At the top left is the college's crest, followed by the text 'DE LA SALLE COLLEGE'. Below this is the instruction 'Please enter your username and password'. There are two input fields: the first is empty, and the second is labeled 'Password'. A blue 'Sign in' button is positioned below the fields. Underneath the button, there are three lines of text: 'Staff and students should enter their college email address.', 'If you are a parent, enter your username and password.', and 'If you are a parent and have forgotten your password please [click here to reset your password.](#)'

Enter your username and the password generated in the previous step.

## Introduction to Ollie

OnLine Learning Interactive Environment (OLLIE)

OLLIE is the De La Salle College Learning Management System (LMS).

As a parent, OLLIE enables you to be involved in your son's learning journey. You have access to your son/s learning resources, including his timetable, due work and results in real-time.

The easy to use icon menu system allows you to review each subject and make contact with the teacher directly, as needed as well as keep up to date with the latest College news, via our News tab

OLLIE further supports the critical three-way learning partnership between students, parents and staff.

Ollie will also provide you a central place for accessing student information, course information, school information and links directly to Synergetic.

What will I use Ollie for?

For the initial release, you will be able to see:

- General News (including College The Week ahead and Duce)
- College forms and School Policies
- Information on IT at the School
- Assessment notifications, with timing and requirements of tasks
- Access to your sons timetable and list of teachers
- Results of Assessment tasks including any teacher feedback

Your Ollie login is designed exclusively for you and your family, which means that you will have access to all the information and resources that relate specifically to each of your children as well as everything that your school needs to share with the whole school community. New features will be added over time and we will post these details to Ollie as they become available.

We encourage you to sign in to Ollie and explore it for yourself– so jump on board and discover everything Ollie has to offer.

## Viewing your son's timetable

From the Ollie front page, scroll down to the 'My Students' section of Ollie and click the 'Timetable' icon beneath the name of your son. If you have multiple sons, they will also appear in this section.

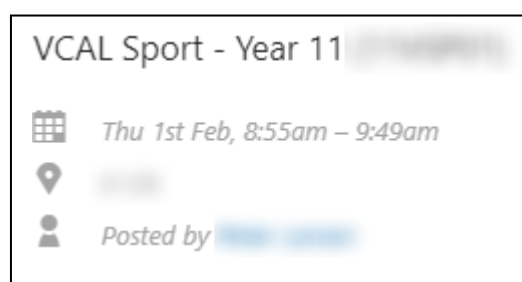

The timetable page will open, allowing you to view your son's full 10 day timetable

Clicking on a class will open the details window, including the date and time, room number and teacher.

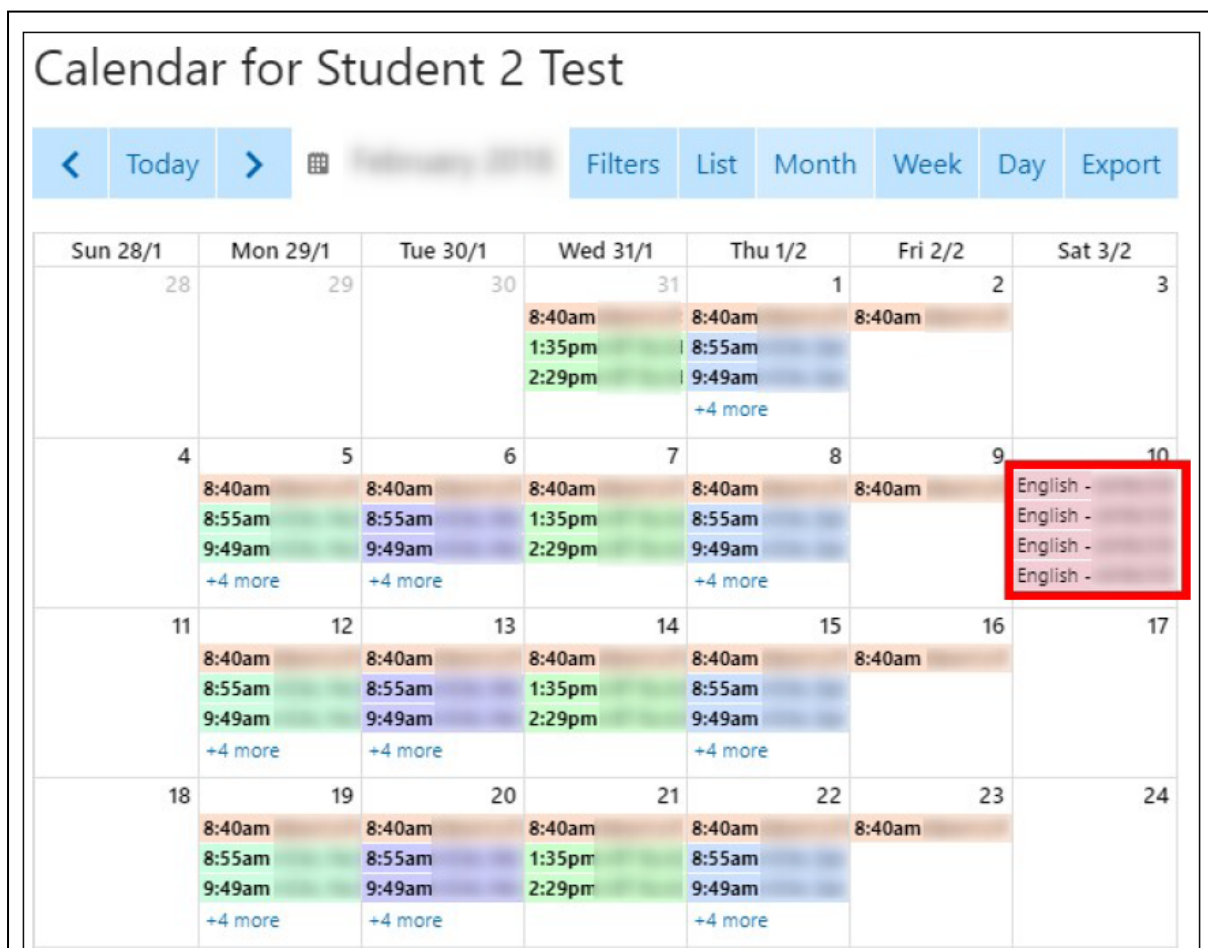

## Viewing your son's calendar

From the Ollie front page, scroll down to the 'My Students' section of Ollie and click the 'Calendar' icon beneath the name of your son. If you have multiple sons, they will also appear in this section.

The Calendar will open, allowing you to view your son's classes and the due dates for assigned classwork. In the image below, an example of due work has been outlined.

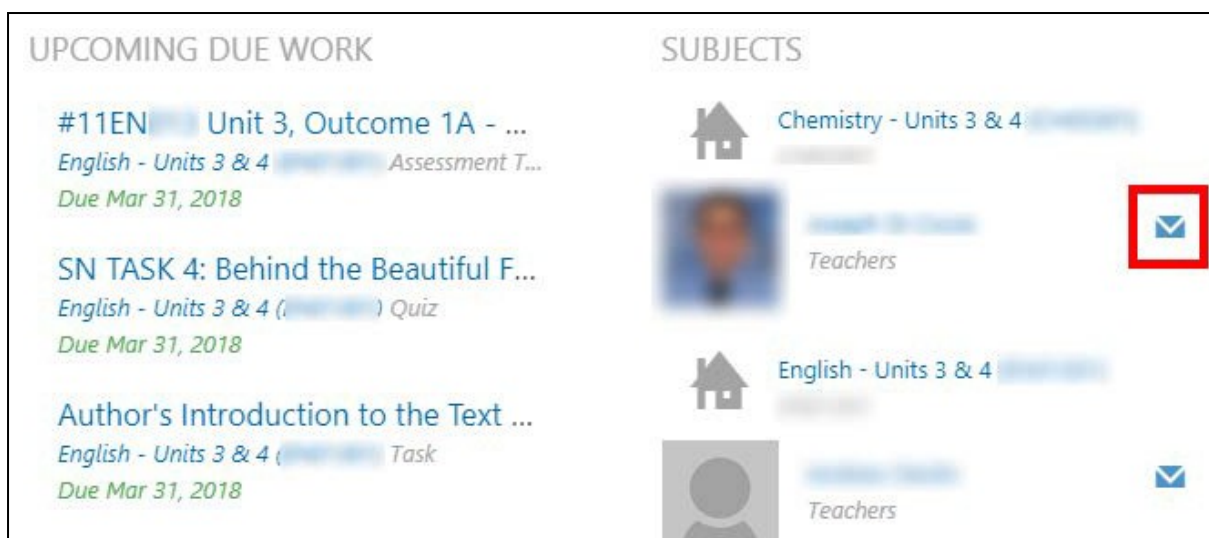

## Viewing your son's due work

From the Ollie front page, scroll down to the 'My Students' section of Ollie and click the 'Due Work' icon beneath the name of your son. If you have multiple sons, they will also appear in this section.

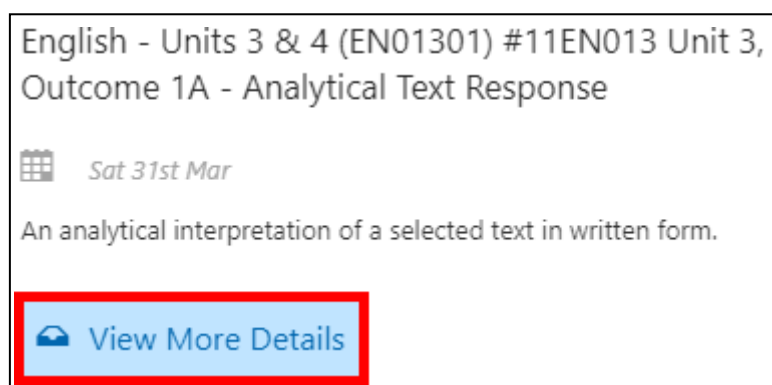

This will open the 'Due Work' page, allowing you to view your sons due work on the calendar.

You can also scroll down the page to view all upcoming due work and each of their subjects. This section will also allow you to email your son's subject teacher by clicking on the 'mail' icon, highlighted below.

Clicking on the task name for upcoming work will open the details of the work, while clicking on the subject name will open the 'Grades' page for that subject. The detail window will open, listing the subject, the unit, and the due date. Click 'View More Details' to view additional information about the due work.

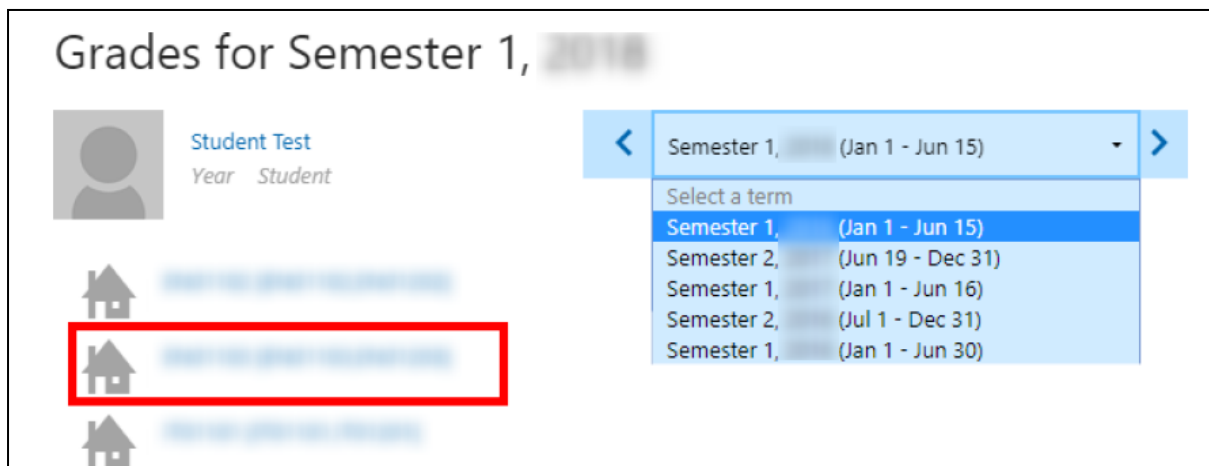

## Viewing your son's grades

From the Ollie front page, scroll down to the 'My Students' section of Ollie and click the 'Grades' icon beneath the name of your son. If you have multiple sons, they will also appear in this section.

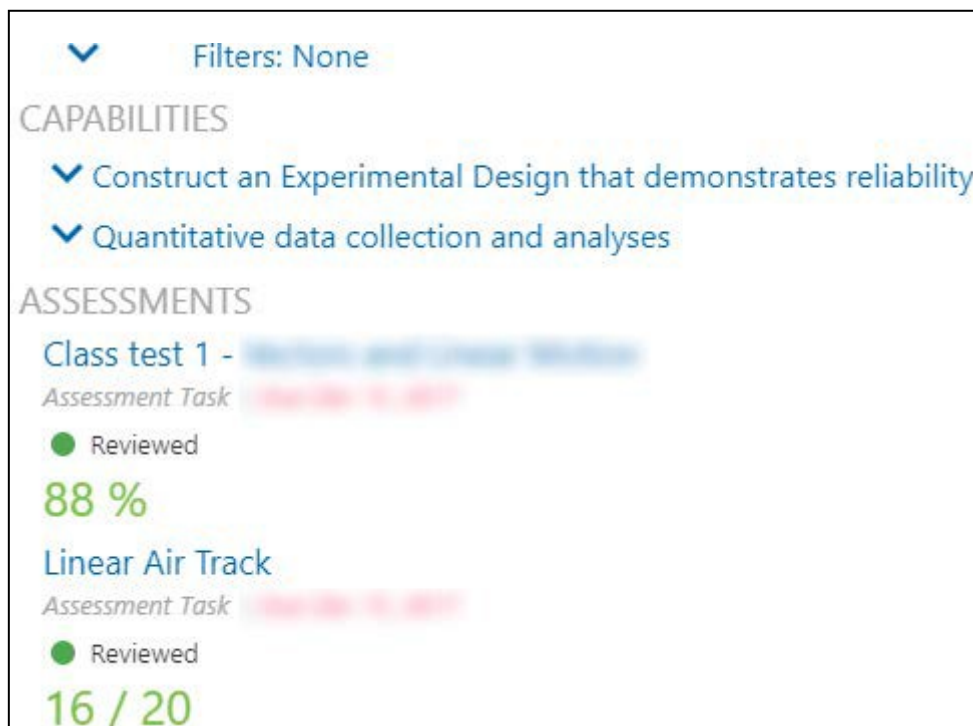

You can view the results for a grade by clicking on the 'homepage' icon next to the class name. To change the semester to view, click the drop down arrow next to the semester date and click the semester to view. To view the assessment results of a class, click on the class title.

## Viewing your son's grades

This will open the grades page for the selected class, allowing you to review the expected capabilities and assessment results. You can also filter by assessment type or by work type, using the 'Filters' list.

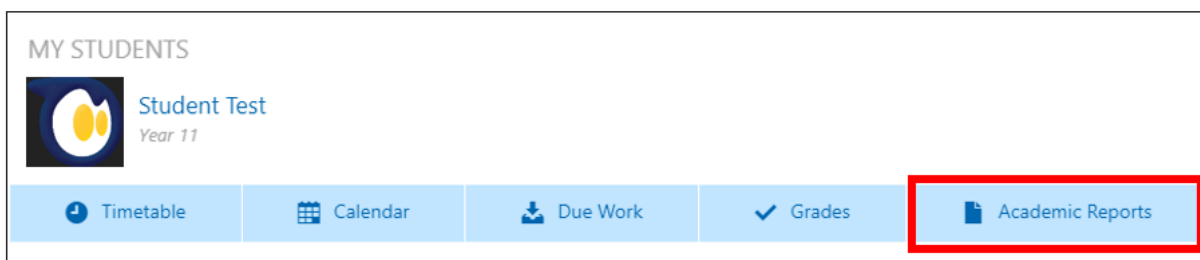

The screenshot displays a user interface for viewing grades. At the top, there is a dropdown menu labeled 'Filters: None'. Below this, the page is divided into two main sections: 'CAPABILITIES' and 'ASSESSMENTS'. Under 'CAPABILITIES', two items are listed with blue checkmarks: 'Construct an Experimental Design that demonstrates reliability' and 'Quantitative data collection and analyses'. The 'ASSESSMENTS' section lists two items. The first is 'Class test 1 - [blurred]', with 'Assessment Task' and a date '10/08/2022' below it. It shows a green circle with the word 'Reviewed' and a score of '88 %'. The second item is 'Linear Air Track', also with 'Assessment Task' and a date '10/08/2022' below it. It shows a green circle with 'Reviewed' and a score of '16 / 20'.

Clicking on the assessment will allow you to view the submission history of the assessment and any feedback provided by the teacher.

## Viewing your son's Academic Reports

From the Ollie front page, scroll down to the 'My Students' section of Ollie and click the 'Academic Reports' icon beneath the name of your son. If you have multiple sons, they will also appear in this section.
