The Annual Consolidated Levy is a fixed charge levied to cover costs such as the College notebook program, software licences required, educational subscriptions, compulsory camps and retreats and Valedictory ticket (Year 12 students only).

The Family Capital Levy covers the ongoing facilities development and associated building programs, as well as general maintenance and site costs across our three campuses.

Costs related to extra-curricular non-compulsory activities or events are not included in this schedule.

Other Charges

Application Fee

A payment of \$100 (incl GST) is payable when submitting the standard Application for Enrolment form. This fee is non-transferable and non-refundable.

Enrolment Fee

When an offer of a place at De La Salle College is accepted a payment of \$1,300 is required.

This payment is comprised of the following amounts:

- A non-refundable, non-transferable fee of \$300; and
- A non-refundable tuition fee paid in advance of \$1,000. This amount will be offset against your first Statement.

Should a family withdraw their child from the enrolment process prior to the child commencing their education at the College, **the payment made to the College is not refundable** under any circumstances.

Instrumental Music Program

Private music lessons are available as an option to students and as such attract an additional fee. Instruments may be hired (at an additional cost) if required. Payment of the semester fee is required on registration for a student to participate.

VET/VCE Vocational Major (VCE/VM) Charges

VET course fees are dependent on the option/s undertaken by the student. Students who enrol in a VET course before 30 April are eligible for a College VET subsidy of up to \$3,500. For any fee in excess of \$3,500, the difference will be payable by the family.

Students who enrol in a VET course after 30 April will not be eligible for the College VET subsidy of up to \$3,500. As a result, they will be responsible for covering the full cost of the enrolled VET course.
